

Background

- Respondents are uncertain about what can go into their doorstep collections.
- Respondents think that the collectors put recycled materials into the general collection.
- Residents are unable to buy green waste sacks locally.
- People are uncertain where to take some larger items of waste.
- The Council are looking to identify extra recycling areas in the village.
- Some respondents are unaware of the new village Plastics facility.

Location

- Whole village.

Action

- Provide more information through recycling guide mailout about other recycling sites.
- Provide more information at roadshows including the Walton on the Hill May Pagent regarding contamination of materials for recycling.
- Advise residents that Lynn's News now carries green waste sacks in the Village.
- Provide villagers with more information on recycling through the recycling guide mailout.
- Ask villagers to identify other appropriate recycling sites.
- Consult with the Walton on the Hill Business Breakfast group.

Lead/Responsible Agency: Reigate & Banstead Borough Council

Local Community: What you can do

- Recycle as much of your rubbish as possible.
- Try to limit contamination of loads.
- Reduce, Reuse, Recycle.
