

TACKLING TRAFFIC PROBLEMS

Public Transport Services

■ Background

- The need to increase and improve public transport services has been raised by a number of key stakeholders and by residents through the telephone survey. The cost of travelling on buses in the area is also regarded as expensive.
- This issue contributes to isolation problems and residents ease of access to facilities.

■ Location Across the whole area

■ Actions and Responsible Agency

- Pass on information to Reigate and Banstead Borough Council and Surrey County Council Highways officers to inform the work of the Transport Forum.
- Communicate any future plans to alter public transport arrangements to the community.
Responsibility Surrey County Council Highways

■ Resource Surrey County Council

■ Timescale Ongoing

■ Outcome Measure/Reporting

- Improved transport links and decreased levels of isolation.

■ Local Community : What you can do

- Use public transport to make a journey.
- Make a positive contribution to surveys, etc. on public transport in order to help obtain the transport service that suits you.
- Encourage friends, family and neighbours to do the same.
