

■ Background

- The desire to recycle plastics has been raised through the telephone survey.
- The need for more frequent collections from the recycling bins at Trehaven Parade has also been highlighted as an issue. Recycling bins are often full resulting in people leaving boxes of bottles alongside the bank. These bottles are sometimes used as 'ammunition' spreading litter all over the area.

■ Location Trehaven Parade

■ Actions and Responsible Agency

- Introduce a plastics recycling bank at Trehaven Parade.
- Identify whether more bins are necessary and if so where they could be sited.
- More frequent collections.
