Memorial Schemes

Cast Bronze Plaques
Cast bronze plaques on an angled spike are available for dedication either with the memorial roses or for placing on an individual memorial plot. These are normally supplied as a 6" x 4" plaque but are also available in other sizes for those wanting a longer inscription. There are also a variety of motifs that can be added to the plaques.

Memorial Benches
6ft Iroko teak memorial benches complete with flower vase and engraved brass plaque. If preferred we can arrange for an inscription to be carved onto the bench.

Oak Caskets
When cremated remains are to be interred in Redstone Cemetery, we offer the choice of having them transferred to an oak casket complete with nameplate.

Contact Details
All enquiries should be made to the cemetery office, which is based at Redstone Cemetery. The address is Redstone Cemetery, Philanthropic Road, Redhill, Surrey, RH1 4DG. The telephone number is 01737 761592. An answerphone is available if your call cannot be answered personally.

February 2014
Memorial Plots
Currently the purchase of an individual plot on one of the six lawns is the most popular choice of memorial. Memorial tablets are available in a choice of sizes and materials. Included in the price of a memorial tablet is the engraving of up to 50 letters, the interment of cremated remains and the lease of the plot for 25 years.

East Border Memorial Bed
Completed in January 2008, this is the newest memorial scheme in the garden of remembrance. Cast bronze memorial plaques are placed on granite posts that surround the bed of standard and hybrid tea roses where cremated remains can be strewn.

South Rose Garden
Originally installed in 1968, the South Rose Garden was renovated in February 2008. Work included the relaying of the memorial stones, the addition of archways and the restocking of some of the roses. The existing stone tablets are available for dedication. These will be thoroughly cleaned, engraved and the inscription painted. Cremated remains can be interred under the stone.

Sanctum 12 Columbaria
Introduced to increase choice to the bereaved. There are two above ground units consisting of 12 individual chambers each able to accept two sets of cremated remains. The large granite tablets are big enough for a full inscription with motif or photo plaque. If required a bronze posy vase can also be fixed to the tablet.

Pergola Memorial Roses
The pergola memorial roses are available in a choice of climbing or rambling varieties. These are leased for a period of 10 years and include an engraved brass plaque and flower vase holder on an exclusive timber upright. The fee also includes the interment or scattering of cremated remains.

Memorial Roses
As some of the roses were replaced in February 2008, we are once again able to offer the option of having a dedicated rose in one of the rose beds. Included in the price is the strewing of cremated remains and the choice of either a plastic or cast bronze memorial plaque.

Octagonal Memorial Planter
For those wishing to place a memorial to a loved one whose cremated remains have been strewn in the scattering area, or even away from the garden, then a granite plaque on the Octagonal Memorial Planter is the ideal choice.
