

Barnardo's Training and Consultancy Surrey Driver Safeguarding & Child Sexual Exploitation Access Guide

If you fail

If you did not achieve the pass mark, you must take the quiz again. You can do this by clicking on 'Launch' and doing the course again.

The screenshot shows a course management interface. At the top, there are three buttons: '1 Enrolled', '1 Completed', and '2 Total'. Below this, there are tabs for 'Enrolled' and 'Completed'. A 'Download Your Course History' button is visible. The main table lists the course 'Safeguarding Adults and Child Sexual Exploitation' with columns for 'Enrolled', 'Completed', 'Exam results', 'Certificate', 'Credits', and 'Action'. The 'Action' column contains 'View Details | Launch', where the 'Launch' link is circled in red. To the right, there is a 'Change Language' dropdown menu set to 'Use portal default' and a 'Recent Activity' section showing the user was enrolled in the course less than 1 minute ago.

If you passed

Congratulations, you can now download or print your 'pass' certificate. You can do this by clicking on 'print' and this will display your certificate. You can save this to your computer, phone or tablet or print it.

The screenshot shows the same course management interface as above, but the 'Exam results' column now shows '100%' and the 'Certificate' column contains a 'print' button with a printer icon, which is circled in red. The 'Action' column still contains 'View Details | Launch'. The 'Recent Activity' section on the right shows the user was enrolled in the course less than 1 minute ago.

Download/print/retain a copy of your pass certificate

Once you have passed the course and downloaded, or printed, your certificate, you must retain a copy for your records. This is very important as the licensing team may ask you to supply a copy of the certificate to us in the future. If you experience technical issues with accessing, logging in or undertaking the training then please email: support@marshallacm.co.uk rather than contacting the licensing team as we do not run or administer this website.
