Dear Ms Hockenhill

Re: Reigate & Banstead Development Management Plan – Council’s Response to Inspector’s Post Hearing Advice Note (ID/6) Update

I write further to our letter to you of 1st February in response to your Post Hearing Advice Note (ID/6).

In that letter we set out our intention, subject to your comments, to carry out the Main Modifications consultation between Wednesday 6 March 2019 and Monday 22 April 2019. Having considered your informal advice regarding the Easter break, we now propose to end the consultation at **5pm on Thursday 18 April**. This still satisfies the minimum 6 week requirement.

We also enclose the addendum to the Sustainability Appraisal (SA) and a supplemental note examining the exceptional circumstances justification for the additional changes to the Green Belt arising from potential changes to the revised Gypsy, Traveller and Travelling Showpeople allocations. Any observations you may have on these documents would be welcomed.

We consider that this completes all of the information requested in your Post Hearing Advice Note and look forward to hearing from you in due course with any comments on the Main Modifications Schedule.

Yours sincerely

Andrew Benson
Head of Planning
