

Exhibition of plans for new homes and facilities in Preston

15 September to 1 October 2012

Reigate & Banstead Borough Council and Surrey County Council are holding an exhibition of plans for improvements to the Preston area.

Please come and visit the exhibition and tell us what you think.

Come and find out more about

- **the exciting new leisure, community and youth facilities**, which will replace the existing Banstead Leisure Centre, Tattenhams Community Centre and Phoenix Youth Centre
- **plans for new homes within Preston**, including some for shared ownership and affordable rented homes, with the majority for private sale
- **parking and open space improvements** - solutions to tackle parking and traffic flow problems and improve the quality of open spaces

Your views will help us to:

- finalise the planning applications before we submit them in the autumn
- decide which parking improvements should be done first
