

TWISTER LGBT GROUP

SOUTH EAST - SURREY

Twister is a youth group for young people aged 14-19 who are Lesbian, Gay, Bisexual, Transgender or are questioning their gender or sexuality. The purpose of this project is to provide a safe place for young people to come along to, to take part in a range of activities that include; discussions about things that are important to learning new skills.

The main purpose of Twister is to give young people the chance to meet other young people who may have had similar experiences to themselves in a safe place where they can talk to supportive adults and build their confidence and at the same time make new friendship groups.

For more information and or to refer a young person, please contact: Darren Smith - Youth & Community Worker
