

Council Tax 2021/22

How your Council Tax helps to fund Reigate & Banstead's services

For all of the services Reigate & Banstead Borough Council provides, a typical household pays **£237.46** a year. That's about **£4.57** a week.¹

Although we collect your Council Tax, only 12 pence in every pound comes to us towards the running of our services. This year our share of your bill will go up by less than 10 pence per week for a Band D household.¹

We will continue to look for new ways to generate income so we can continue to be a self-sustaining council and to minimise the burden on Council Taxpayers, including looking for investment opportunities, making best use of our buildings and land, and selling services to other councils. We have not received a support grant from the Government to help fund our services since 2017.

Despite the additional pressures placed on us by COVID-19, our robust financial plans put us in a strong place to manage the challenge. Our priority remains to run an efficient and effective Council and to support our 148,700 residents and 7,200 businesses. We will do this through supporting vulnerable residents, delivering more affordable homes, improving our town and village centres and tackling climate change, among other things.

**Cllr Mark Brunt, Leader,
Reigate & Banstead Borough Council**
